Congratulations on your excellent academic performance in the Fall 2015 semester! You have earned President's List status due to your hard work and dedication. The President's List is created after each fall and spring semester and includes undergraduate students who enrolled in at least 12 college-level hours and earned a grade point average of 4.0 for courses taken that semester.

Students on the President's List are given priority registration for the next semester to support their continuing achievement. If you would like a pdf copy certificate that acknowledges your excellent work, please reply to this message and one will be emailed to you.

Congratulations again and best wishes for a very successful Spring!

Sincerely,

Guy Bailey
